Dear Owner/Manager:

I would like to introduce you to the Youth Sports, Jump Rope FX Competitive Jump Rope team. We are a part of a local organization, Youth Sports Virginia Training Center, in Prince William County, Virginia servicing children who compete in competitive jump rope events.

We are an extremely hard working and dedicated group of 23 athletes. We are a diverse team with participants ranging from 7 to 18 years of age that train as many as 10 hours per week, and we compete throughout the United States seven to eight months out of the year. Almost our entire team qualifies each year to represent Youth Sports at many local, state, regional and national events. This season our athletes will be traveling to Orlando, Florida for the USA Jump Rope National Championship Tournament and Houston, Texas to compete in the AAU Junior Olympics Competition.

Virginia Youth Sports Booster Club is a 501(c)(3), non-profit organization that supports the athletes at Virginia Youth Sports Virginia Training Center on the jump rope team as well as the competitive boys' and girls' gymnastic teams. Our fundraising goal for this competition season is \$18,000 for the jump rope team.

Our team is in need of financial contributions in order to support our program, assist our athletes with expenses associated with the travel involved to compete throughout the country this season and to assist us in welcoming visiting teams and judges.

We would very much appreciate your support of our program. Success of our program to date has been provided by a lot of hard work and donations from individuals and businesses like yours. If you have any questions or would like additional information about our club please feel free to contact us directly.

Your assistance will help our efforts to keep our youths' energy channeled in a positive direction, promoting healthy lifestyles through sports competition.

Thank you for your careful consideration.

Sincerely,

/s/ Shelley E. Branch
